PROFIT WARNING

This announcement is made by China ZhengTong Auto Services Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 and the information currently available to the Board, the Group is expected to record an increase in net loss of approximately 17% for the six months ended 30 June 2026, as compared with the Restated 2025 Comparative Figures (as defined below). Such increase in net loss was primarily attributable to factors including a decline in new vehicle sales volume and a downward adjustment of mortgage-related commission rebate rates.

The Group's comparative figures for the six months ended 30 June 2025 are expected to be restated as a result of applying the principles of merger accounting, as if the Group's acquisitions of 100% equity interests in Xiamen Xindeco ITG Automobile Group Co., Ltd. and ITG Auto (Thailand) Co., Ltd. (both accounted for as business combinations under common control) had taken place at the beginning of the earliest financial period presented (the "**Restated 2025 Comparative Figures**"). For further details, please refer to the Company's announcements dated 5 December 2025, 20 January 2026, 12 March 2026 and 22 July 2026, and the Company's circular dated 24 December 2025.

Based on the long-term strategic support of the Group's controlling shareholder, Xiamen ITG Holdings Group Co., Ltd., and based on the assessment of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026, the Board believes that the Group can adapt to industry changes and continue to maintain its operation and development.

As the Company is still in the course of preparing the financial results for the six months ended 30 June 2026, the information contained in this announcement is only based on the preliminary review of the unaudited consolidated management accounts and the financial information currently available to the Board. Such information has not been reviewed or audited by the Company's auditors and may be subject to adjustments.

The Group's financial results and performance for the six months ended 30 June 2026 will be set out in the Company's interim results announcement, which is expected to be published by the end of August 2026.
